

National Umpiring Development Strategic Plan 2016 - 2020

Vision

Every game of Australian Football is officiated by the required number of qualified umpires

Mission

Support Australian Football stakeholders to recruit and develop umpires

Focus Areas

TRADITIONAL BASE

DIVERSITY

SOCIAL CONNECTIONS

TALENT OPPORTUNITIES

Goals

We will attract people that have grown up with and love the game whilst embracing our traditional umpiring base.

We aim to diversify umpiring by providing the Indigenous, Multicultural and Females an opportunity to be part of Australia's Game.

We will support and educate football stakeholders to ensure we offer positive environments that promote social connections for all umpires.

We will offer opportunities for talented umpires to advance their skills and experiences at all stages of the umpiring talent pathway.
